

Ps Key Unstoppable You

People we admire look like they have it all together on the outside but something is going wrong on the inside

How do we create an unstoppable life?

Gal 5:1

Yoke - two animals harnessed together and work together in sync or they will choke each other

What are we yoked with?

What are we in sync with?

If you get yoked to the burden of slavery that will be the stuff/baggage that stops you going real fast

Freedom-without physical restraint

Freedom is not a license to sin

Gal 5:13 serve one another in love - get the focus off yourself

It's my body I can do with it what I like

1 Cor 6:19 when you gave your life to Christ you gave you body to him - don't use it as a reason to sin

Jealously, unforgiveness, resentment, lust, fear, mistakes, rejection, guilt

John 10:10 I have come that you might have life

Not yoked to slavery and sin

We want to be like the world so we will blend in - now it is hard to pick a Christ follower - no longer yoked to Christ and freedom

What is true freedom - gal 5:1

Freedoms Is the true person of Jesus Christ

Baggage that will stop you -

How do we look like that person - stay connected to Christ and not go back to the burden if sin - when we surrender our life to Christ fully

Computer has a mother board and processor and hard drives - when you give you life to Christ he replaces the mother board and processor now we need to work and cooperate with the holy spirit to change the files on the hard drive over to the new format.

Personal culture - comes from family and origin the way that you learnt when you were growing up - it will clash with kingdom culture and you have a choice to change or not.

Every time you chose personal culture over kingdom culture you loose freedom in that area you are then yoked again under slavery.

If you chose kingdom the freedom you get is actual freedom over that.

It is the Holy Spirits job to clean up our files but it is our job to cooperate with the holy spirit.

Practical steps to walking in freedom

1. Have to give your life to Christ

2. Read the scripture and journal daily

3. When you discover something - When ever there is a clash of cultures - replace it with kingdom culture

Gods people are called to be counter culture!!! Kingdom people

Potential freedom will become actual freedom

Don't try and go it alone - Keep accountable with people - Life group & church

How important is this freedom? Jesus said when he returns he is coming for s spotless church

Rom 8.21 nature is waiting and watching

The unstoppable you wants to laugh, sing and dance and e carried out in your work place and where you live

Luke 4.18 Jesus came to proclaim freedom now it is out job!

I am going to look like someone who can do 300km/hr not just look like it but able to do it
