

"would you like fries with that?"

Life is the best thing that has happened to us
Most of us agree that we can get more out of life
McDonalds when you order a burger, they know what will enhance that
burger - would you like fries will that

1 Tim 6:18-19

Command them to do good, to be rich in good deeds and to be generous
and willing to share. In this way lay up treasure for themselves as a firm
foundation for the coming age, so that they may take hold of the life that
is truly life.

All if us can do one thing to squeeze more out of life
Deut 30:19 this day I call heaven and earth against you - if you choose life
We have to make the choice - and the choice is ours
Everyday there is choices to make - some big, some small - and we gave
to make the choice

The greatest enemy to choice is excuse.

For every choice that you have to make there is at least one excuse some-
times more

Excuses that rise to stop you fulfilling what god wants are lies - they come
from the father of lies the devil

He points his finger at you and says to can't do that - we need to get his
finger break it!!!!!!

1. Connect with God

Ezekiel 37:1 the hand of the lord was upon me and he lead me to the val-
ley of dry bones - and he asked me 'can these bones live?' I will make
breath enter you can you will connect with God.

You may be in that place and you will ask yourself 'there must be more to
life than this'.

Loaded questions - the words that come out of your mouth after these will
bring life or death

Yes there is more to life than this - yes these bones can live - just let me
breath on them

Break the devils finger!

Now is the time - not later

Ps Simon's —Life

2. Connect with the world

Our world is like the valley of dry bones and we carry the breath of God to the bones

God doesn't want us to insulate yourself from the pain and suffering of the world - the pain is the battle scars that God wants to see

He wants us to get into the game and get our uniforms dirty

1 Peter 2:1 follow in his steps

It involves others and when others are involved things can get messy

3. Connect with other believers

Ancient Rome they used to have events in the coliseum - like gladiators - "whatever comes out of these gates we have a better chance of survival if we work together, if we stay together we survive"

Safety in numbers, power of agreement - life group and g3 perfect opportunity to connect with others

Life groups are not just for you, but for you to sow into others also

Life - would you like fries with that - yes and make it large
