Unstoppable Blessing

Weather you feel blessed is often your view of God
Phil's memories of School and Mr. Nichols and the cane. That is sometimes our view of God
Then his grade seven teacher Mr. Hansford with his kindness and love for the kids - is that our view on our heavenly father someone who has love for his father.

We can experience blessing when we to recognize that God is the source of all blessing

God is the source of spiritual blessing

Ephesians 1:3-4

He chose us before the creation of the world.

Ephesians 2:20

Do you think that that is a God who would be stingy - he is a God of great blessings.

Most important blessing - spiritual blessings they are eternal eg. Peace -

Faith - in Romans he as given us a measure of faith

Love - we love because he first loved us

Grace - Romans 5:2 we have been given a new position in heavenly realms. An upgrade

Strength - the power to do what God wants us to do in this life and is developed by trials and tribulations

Hope - we hold hope in our heart

Nick and Sara Purcell - they are showing heaps of spiritual blessing - faith, hope, strength

Natural blessings

Money, House, Car, Clothing and shoes, Food, Job, Friends

These natural blessings come from the spiritual blessings

Feeding of the 5000 people with the fish and bread - Jesus said to his disciples "why don't you feed them?"

They were thinking in the natural realm and not the spiritual realm - so he stepped in and took over the did a miracle and there were 12 baskets of leftovers.

What did he do with the leftovers? Cause Jesus said let nothing be wasted. His disciples took them to the villages to give away - what a good conversation starter.

What stops the blessings? When we try and hold on to it.

We need to give it away and serve so that we can release the spiritual and natural blessing

What ever you need - start to speak out the blessing

Global financial market crash - we can be blessed during this time cause it says in the bible "but it wasn't hailing on Goshen" speak out the blessing over your life.

When we start to give - we give it to God

What ever we do we do it unto God

We create a circuit
