

# Missions Focus - 24th July

Love this City - June

3086 hours 279 people - kids to grandparents

## **Rick - back yard blitz**

Police & fireman - medically discharged December 2010

Now has 40% of his heart usage, memory loss and loss of balance

After that backyard blitz day I realized there were still good people around

## **Brooke and Brylee - raise money for Scarlett Purcell**

Walked around Azura island, church and harvey norman bbq

Jelly beans guessing competition raised \$101

**Heather Hiley** - headed up the knitting of 127 trauma bears for Red Cross and quilts and toiletry bags for palliative care at Robina hospital

**Jenny Rourke** - has O- blood, needed a doctor's certificate for approval to give Giving blood - due to having brain tumor and osteoporosis

**Phil Rourke** - Saddle 82yr little old lady confined to a little tricycle

We did a pathway and helped her out so she could do through her garden and not fall over

She was nominated by her Postmans daughter Louis Watts who is part of this church

**Next Movies in the park** - Sept 10th in Varisty

**Council opening in prayer** - looking at starting a website to help them and set up a support network for the councillors and churches in their local area

**Campus development** - Rochedale going well, packenham not happening, home campus to be updated first

**Lifchurch** - focus in Asia area and this is the area that we are currently in with our missions anyway

**Philippines** - FTM faith tribal missions

Ps Ching - reaching his country thought the wireless radio which is reaching people in remote places and seeing healings and salvations.

**Business leader development** - Tony & Cath Walter-Girout

Builder discount warehouse

Serving with business people

1999 started with a prophecy - shelved it

2009 another on the same ending up on the gold coast

## **Imagine if ideas by Ps Kev**

Mobile Campus - Double server bus - Lifechurch upstairs and cafe downstairs

Job Factory - can assist people in getting a job

Strategic Partnership - partnering with organisations globally to bring the best resources and support to local churches

The Watson Association International Adoption Agency - a private adoption agency that could cut the cost, red tape and the waiting period

Love this City Emergency Responce Team - An emergency response plan which leads an effective inter-denominational team during emergencies or disasters in our city

Community Campus - A church led community hub

New Hope Christian College - a college where leaders are trained with character and integrity for the ministry and marketplace.
