Love is an action

[MYREVELATION]

Aristides (2nd century Greek philosopher)

"Christians love another. They never fail to help widows; they save orphans from those who would hurt them. If one of them has something, they give freely to those who have nothing. If they see a stranger, Christians take him home and are happy, as though he were a real brother.... They walk in all humility and kindness, falsehood is not found among them. They love one another.

This is really a new kind of person. There is something divine in them"

If we see a stranger, Christians take him home and are happy, as though he were a real brother... They walk in all humility and kindness, falsehood is not found among them. They love another. This is really a new kind of person. There is something divine in them."

John 13:34-35 A new commandment I give you: love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, If you love one another.

Matthew 22:37-39

Love the lord your God with all your heart, soul and mind and love your neighbor as yourself.

Every person can live a life of impact and make a radical difference in their world, by simply following Jesus command to love our Neighbor

Love = a doing word (verb)

Love is an action

1 Cor 13 Even if he does all the things without love it is worth nothing. He doesn't gain anything. Love is patient, not selfish, etc

Love - in the original Greek in this passage is "Agape" a giving love.

The love of God for mankind

The more we become like Christ means the more we will be able to show Gods love to others.

A revolutionary love powered by a supernatural source

Fruits of the spirit - Galatians are love, joy, peace, patience kindness, self control etc - the product of the spirit of God working within us.

As we grow in love with God we will grow in Gods love

Love should be the underlying force and the identifying mark of the Christian community

Knowing the command isn't enough we have to put it into action

Where do we find them? - they are in the world wherever we go

How do we love our Neighbor? Surrender more to his image

Luke 5:12-13 Jesus touches and heals the leprosy man

Max Lucardo story from the leper point of view - Jesus the one who dared to touch me!

It wasn't the touch of Jesus that healed him it was the words that healed him

As followers of Christ, we need to follow his example, and reach out and touch our neighbors with the love of God.

Love people, reach out and touch someone with your words and actions, and see HIM change them.

Don't miss the small acts while you are waiting for the big one to come.
