

A LIFE OF GREAT BENEFITS

Attitude towards life

1. Everything that they touch turns to gold
2. Everything that they touch failed

Seems like the Universe has favourites

Does God has favourites?

Icebergs - what you only see is the tip 1/10 not the huge piece 9/10 underneath

Psalms 103:2-5 praise the lord Oh my soul

John 1:16 out of his abundance we all received

Eph 1:3 every spiritual blessing

Lots of scriptures show that God doesn't have favourites

Eph 6:9 there is no favouritism with him

Why is it that some go from favour to favour and some don't

There is a price to pay if you want A life of great benefits

So what's is the answer?

POSITIONING - if you to get wet you have to stand under the shower. If you want to catch the ball you need to be on the field!

These keys have to do with positioning your heart, mind and faith

Three supernatural locks:

1. Position your heart right - three attitudes

-Delight yourself in the lord Psalm 37:4-7 Any area that is a chore you will develop an attitude

-He will ask you to do some stuff you won't want to do

-Be still, heart is still

You will then want to obey

2. Prepare your mind right, get it in the right place

James 4:2-3, Hebrews 11:6

-got to start asking, some just don't ask cause we don't believe.

-You need to ask with the right motives, asking for the wrong reasons, what God wants to do through you

-unbelief, we decide what is too big for God to do and what he can do

3. Deploy your faith right

Matt 7:7-8

-ask and you will receive, relationship

-seek to find, it is either lost or hidden, as God is an all knowing and all seeing God we assume it is not lost but hidden

-knock to open, at the moment the door is closed

It is the Glory of God to conceal a matter; to search it out a matter is the glory of kings. Prov 25:2

Once you get it you have to maintain it

Do not give dogs what is sacred; do not throw your pearls to pigs. If you do, they may trample them under their feet, and turn and tear you to pieces Matt 7:6

Every time you are asked to do something and don't do it - your faith Diminishes.

We are a instant society so when we need something out of God we:

Ask and keep on asking

Seek and keep on seeking

Knock and keep on knocking

Door opened

Hidden things

Every blessing
