

Exodus 15:26 I am the Lord who heals you Why do we believe in Devine healing?

1) God is our healer

Deuteronomy 7:15 diseases don't belong to God Psalms 105:37 Moses people that he led from Egypt there is none feeble among his tribe Generous people can give generously Healthy people can do many things Psalms 103:2-5 bless the lord - youth is renewed like the eagles God ordained benefits

1. God is our saviour
2. God is our healer
3. God is our deliverer
4. God is our provider

2) Jesus Christ died for our physical healing Isaiah 53:4 by his stripes we are healed 400 years later Jesus delivers buy possessed Matt 8 Jesus healed all who were sick Vs 17 Isaiah said he bore our sins and took our sicknesses Acts 10:38 how God anointed Jesus -making life better- for God was with him Every sickness is an oppression and affliction from the devil.

God uses them for good

Mark 1:40 God is willing

3) Healing is not always instant

- sometimes it takes sometime

Even Jesus had to pray a few times

Mark 8 blind man Jesus played a few times 10 lepers - when they were walking by faith they were healed When believers lay hands in the sick they will recover - maybe not instant but they will recover.

4) God used doctors and medicine to cure sickness too Mix faith in with the medicine Doctors word isn't final - Gods word is final

2 Chronicles 16 King Asa didn't seek God first he relied on the doctors and medicine first

How come people aren't healed?

1. Lack of faith for healing. Doubt and unbelief definite miracle killers
2. Unforgiveness and bitterness James - confess your sins and pray with one another 80%of all sickness is psychosomatic
3. Demonic oppression - it comes in and needs to be released
4. Blatant sinning and rebellion - reckless living psalms 66:18 cherish inequity
5. Intellectual pride and religious pride - God doesn't do it anymore
6. Poor management of the human body Philippians 2
7. We all live in an imperfect world in a broken down world -they have all rejected God. God has put in place salvation plan.
8. God's sovereignty - God has a plan.
