

# PRAISE & WORSHIP #2

WORSHIP

John 4:23-24

God is looking for 2 things

1. Seeking the lost
2. Seeking true worshippers

## 3 flaws/differences we need to spot

### 1. **When our worship becomes a ritual.**

We are creatures of habit

Eg birthday cake - time to prepare

We need to treat worship on Sunday as the birthday cake - need to plan ahead even the day before. If you want to go somewhere you've never been - you need to do something you've never done.

Constant change

### 2. **When worship becomes a performance**

Question - Is our focus on ME or GOD?

It is not about ME but about HE! Always

Don't develop 'I' itus

Worship is an expression that came from a heart that has had an experience. Don't make our worship a feel good experience. Be Thankful - look around what we have already, breathing

### 3. **When our worship is separate from our lifestyle**

Ezekiel 33:30-32

True worship is what We are - not what we do!

It is what happens in the other side of the doors!

When we start pointing the finger we need to point the finger to us first

True worship:

Makes God happy and pleased

Makes us more like Christ

Hebrews as we worship God we come from the same family. Release the power of God in our life and on our behalf

Acts 16:22 Paul and Silas

Started praising God in jail and the power of God turned up!
